

## Section 1: Data Protection Principles

Enterprise Corp processes personal data in strict compliance with the General Data Protection Regulation (GDPR), the California Consumer Privacy Act (CCPA), and applicable global privacy laws. Data collection is limited strictly to necessary business purposes.

## Section 2: Data Subject Rights & Fulfillment

Individuals have the right to request access, correction, data portability, or erasure of their personal information. All verified data subject access requests (DSARs) must be fulfilled by the Privacy Office within thirty (30) calendar days.

## Section 3: Data Retention & Secure Disposal

Customer and transaction records are retained for seven (7) years following contract termination to comply with statutory and audit obligations. Upon expiry of retention periods, records are permanently purged or securely shredded in accordance with NIST SP 800-88 guidelines.
