

Section 1: Purpose & Authority Matrix

This policy establishes purchasing thresholds and required approvals for all corporate expenditures. All purchase requests must have an approved budget allocation prior to contract execution.

Section 2: Approval Thresholds & Competitive Bidding

Approval thresholds are defined as follows: Purchases up to \$10,000 require Department Manager approval. Purchases from \$10,001 to \$50,000 require Department Director approval and two competitive quotes. Purchases exceeding \$50,000 require Vice President and Chief Financial Officer (CFO) approval along with a minimum of three competitive bids submitted to the Procurement Committee.

Section 3: Vendor Vetting & Conflict of Interest

All new vendors must complete security, financial, and compliance vetting before onboarding. Employees must disclose any personal or financial relationship with prospective suppliers in writing to Legal.
